**BUILDING ADMINISTRATOR**  
THE RESIDENCES AT GREENBELT  
Blk 9 Lot 16, Maligaya Subd. Pasong Putik, Fairview, Quezon City

Subject: **Letter of Intent/Notice to Proceed**

Dear *Sir/Madam*:

This is in reference to Globe Telecom, Inc.'s ("*Globe*") existing telecommunications facility located at The Blk 9 Lot 16, Maligaya Subd. Pasong Putik, Fairview, Quezon City ("*Site*").

In order for Globe to continuously provide a fast and reliable service to the public, necessary assessment and enhancement of its existing facilities and equipment installed within your property is required, which may include incidental replacement of defective/obsolete and/or installation of equipment and other related appurtenances, to provide a better customer experience for voice and data services.

In relation to this, we would like to request for your written consent to allow the implementation team of **HUAWEI TECHNOLOGIES PHILS. INC.**, as authorized contractor of Globe, to access the Site and conduct the following activities (the "Authorized Activities"), as duly covered by Globe's existing consideration and contract:

1. Survey of existing equipment and tower facilities
2. Implementation of the approved project plan
3. Testing and optimization of activities
4. Cable works maintenance and installation
5. Actual migration and rectification activity
6. Site Acceptance

Rest assured that the implementation team shall submit a signed work permit and access pass before commencement of the Authorized Activities, and due care shall be undertaken to prevent any damage to your property taking into consideration applicable safety and construction standards.

Kindly affix your signature on the space provided below to signify your conformity to proceed with the implementation of the Authorized Activities, enumerated above. For further coordination, you may contact our authorized site acquisition coordinator, Ms. Gerlie Bacus at mobile number 0966 472 7090.

Thank you.

Sincerely yours,  
**GLOBE TELECOM, INC.**
